The Systems Change Advocacy Group is a group of community agencies and individuals with disabilities coming together to create systemic change within our local community on statewide issues and federal policy. Come be a part of the change and advocate for your rights within our region.

## Topics of Discussion:

- Homelessness
- Curb Ramps Accessibility
- Accessibility to Public Transportation
- Sensitivity Training for Law enforcement
- State budgets (SSP, Medi-Cal Restoration)
- Addressing ADA Lawsuits at the federal level
- State Health Insurance Program (HICAP)
